OUR PROMISE

A PROFESSIONAL ON-BOARDING & SCHEDULING PROCESS

Once your booking fee and contract has been received, your wedding date is secured in our diary. 'Keeping in touch' emails are sent out on the lead up to the wedding and most importantly the night before. This ensures peace of mind the days and months leading up to your wedding so you don't have to be awake at night wondering if your makeup artist will show up on time - or at all!

02 EXPERIENCE IN THE FIELD

With 8+ years of experience in the field, we have many weddings under our belt!

03 UP TO DATE TECHNIQUES

In this ever evolving beauty industry, it's our job to stay up to date with the latest trends and techniques. We continue to invest in professional training so we can bring you the latest beauty techniques.

04 HIGH END, LUXURY PRODUCTS

We use only the best products that have been trialled and tested for long lasting results. From Charlotte Tilbury to Mac, our high end kit will give you the best results!

05 A PROFESSIONAL AND FRIENDLY FACE

Our services extend beyond the makeup chair. We stay with you until you walk down the aisle. Having a professional, friendly face in those exciting moments certainly helps to settle those nervous flutters.
